

ROYAL BOHEMIAN (LE5600-LE5609)

We weave by the panel to your cut sizes. In order to achieve depth of color, movement, and softness, we dye, weave, and wash our leathers by hand. Subtle variation and imperfections are characteristic of the natural material. Colors may be altered by prolonged exposure to sunlight.

- Leather Type: Vegetable-tanned leather
- Strip Width: 3 mm
- Dyeing: Drum dyed
- Average thickness: 2 mm
- Size: Panels are woven to required size, without width, or height limitation.
- Available in two directions: HV (Horizontal and Vertical) and Girato (Diagonal)
