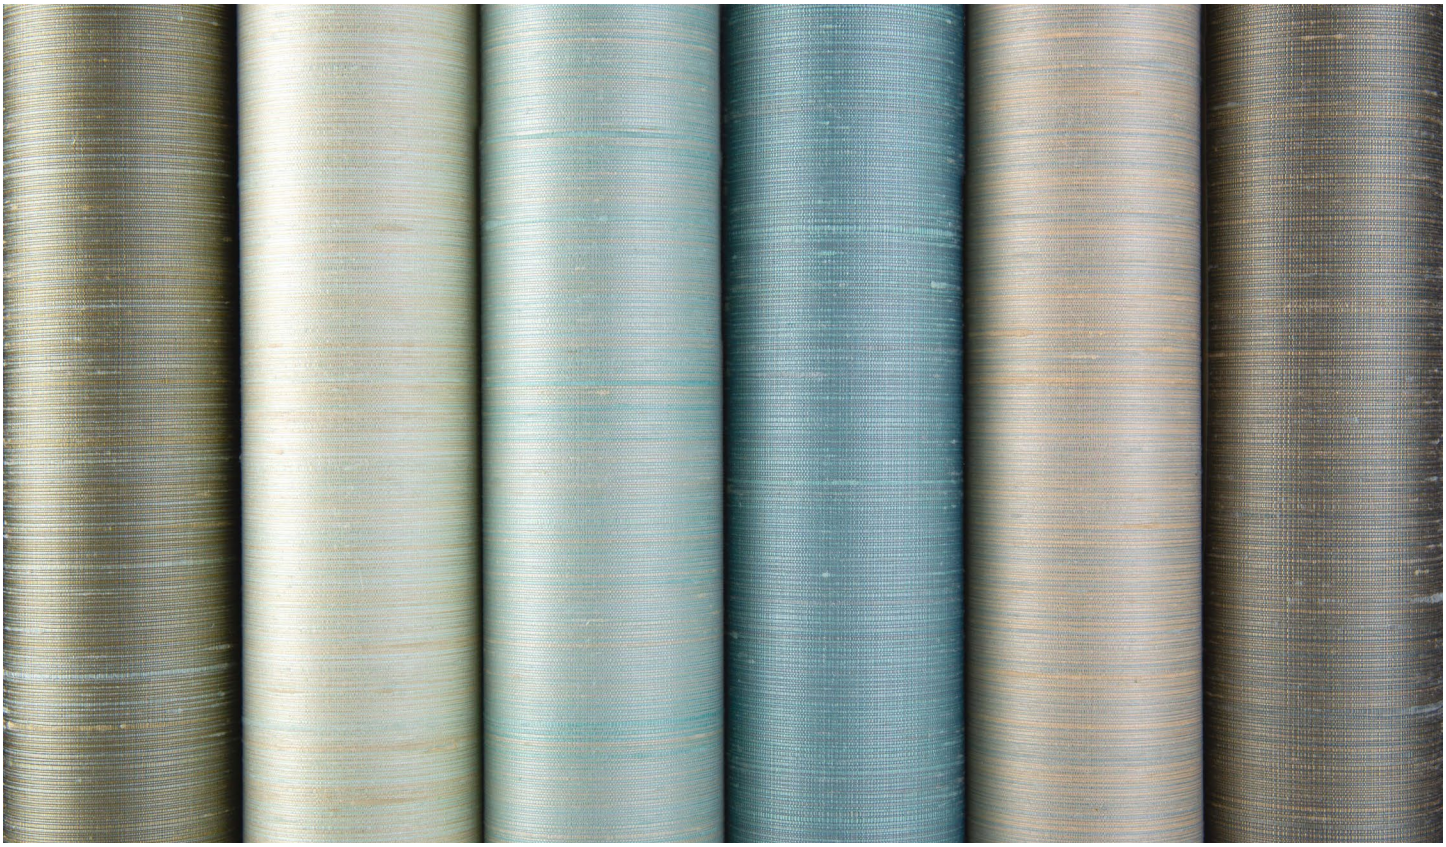
CLOUDBREAK (WP7411-WP7418)



SILK BLEND

This quality is hand woven from the finest blend of silk and recycled polyester, and meticulously backed in the Netherlands. The natural slubbing of the weave highlights the dimension and texture of the product, while the lustrous sheen is polished and refined. A vibrant silk blend mélange, Cloudbreak is inspired in name and color by the natural beauty of shoreline sands, grasses, and water. Due to the horizontal direction of the weave, this product is intended to panel beautifully.

- Composition: 84% Silk 16% Recycled Polyester
- Width: 43" (110 cm)
- Roll Size: Sold by the yard, maximum bolt size 55 yards
- Minimum Order: 2 yards
- Lead Time: 2-3 weeks*
- ASTM E84 Class A fire rating

**Inquire to confirm stock. 500+ yds kept in stock but levels can occasionally run low and lead times for new production can increase anticipated delivery date.*

SUSTAINABILITY

Silk is a completely renewable resource, and is thus one of the most sustainable products in our line. All polyester blended with silk in this line utilize 100% recycled polyester. Production of this collection utilizes entirely green energy sources and water-based processes, and shipments from the mill are completely carbon neutral. These products contain no PVC, chlorine, plasticizers, heavy metals or heavy dyes.

CLEANING & CARE INSTRUCTIONS

This wallcovering has been treated with a stain repellant finish, which prevents water-based splashes from staining the material. Splashes will bead up on the surface of the product and can be removed by gently blotting with an absorbent cloth. Do not rub as this can force the liquid into the weave and cause a stain. Once a stain has dried it becomes nearly impossible to remove.

DISCLAIMER

Our natural wallcoverings are handmade; small color and fiber variations may occur. These are not considered flaws but beautiful and inherent characteristics of the product.

All wallcoverings ship with untrimmed edges and must be trimmed on-site for crisp seams. Hanging instructions are available digitally and are included with each shipment. Please inspect goods thoroughly before cutting as no allowances will be made on trimmed wallcovering. Absolutely no claims will be accepted for labor or any other incidental costs.
