

ACE (DE14339-DE14347)

THE SPORTING COLLECTION / STRIPES

Ace is a satin fillet stripe produced with slight flannel finish to add a touch of softness to this precise design. Eight mélangé colors fuse together in an ombre pattern and add exceptional depth of color to the cloth. As a result of its weight and handle, Ace is perfect for drapery projects.

CLEANING & CARE INSTRUCTIONS

Professional dry clean, delicate treatment. Do not wash. Do not bleach. Do not tumble dry. Do not steam. Iron at low temperature with a protective cloth between the iron and the fabric. To quickly clean up spills, blot with a clean cloth, do not rub. Allow solid spills to dry before carefully removing from the surface of the fabric. To remove dust or light dirt, gently brush or vacuum with an upholstery attachment.

KNIT BACKING

Knit backing may be helpful for upholstery and pillows. The designer should consult their workroom. Reinforce upholstery seams. An ample seam allowance and overlock stitching/serging are advised.

DRAPERY

For best results, hang drapery before hemming to allow the fabric to adjust to the climate of the room. All drapery should be lined to block light and protect the face fabric.

FABRIC DIRECTION

This is a vertical stripe running up the roll.
