

DUNES (LE5530-LE5539)

Dunes is a full-grain leather with a plump and full-bodied thickness. There are no pigments added for coloration, only a light hand application of a single color aniline dye, which creates a subtle tone-on-tone effect. The hides are further treated with a matte clear coat for the added benefit of full protection.

- Average hide size: 50-55 square feet
- Minimum: Full hide
- European cowhide
- Leather type: Full grain
- Tannage: Chrome tanning
- Dyeing: Aniline through dyeing
- Finish: Protected/performance
- Average thickness: 1.0 – 1.2 mm
- Lead Time: 1 week, if in stock

CLEANING & CARE INSTRUCTIONS

Spots can be cleaned with a lightly damp cloth and mild soap. Dry immediately after the treatment. Do not rub. Use a circular motion working toward the center of the stain. Avoid any direct exposure to the sun. Keep the leather away from direct heat. Dust regularly with a soft and dry cloth.
