

# MÉLANGE WOOL SATEEN ANDES

The Andes collection showcases our proprietary mélangé wool yarn. This top-dyed (*fiber-dyed*) yarn is a combination of three to eight fiber colors that are then woven and finished to create a luxurious fabric with extraordinary depth of color. The Andes sateen is a perfect drapery weight fabric that is also sturdy enough for upholstery. Eleven new colors add a fresh vibe to the palette. These deep reds, corals, misty greens, blues and rich neutrals along with vivid citron fit right in with our favorite sateen.
