TARTANS

100% Pure New Wool

Tartans have always been recognized as an ancestral tradition, and were therefore not allowed to be worn by new settlers or land owners. For that reason alone, those that wanted to carry on with tradition had to design their own tartan or district check fabric.

The base quality of the fabric would always be the same, however, the colour and colour order would differ. Over time tartan designs have become more intricate and complex in colour and design.

Traditionally, tartan fabrics have a strong association with the Scottish Highland clans. In times gone by, the clans notoriously governed Scotland's land and it's people. Designed to withstand the weather beaten terrain of the Scottish Highlands, tartan fabrics reflect the ancestral legacy inherited by the Highlanders themselves.

A symbol of clan, origin, status and fellowship, tartan fabrics are still worn to this day, as many true Scotsmen still lay claim to their own exclusive Clan tartan, and are proud to honor the historical significance it has.

Illustrated in this collection are the best 30 selling tartans.

M4040 Angus Modern
Repeat: (H) 5.48 in (V) 5.28 in
