

# MERINO WOOL CASHMERE **ELIE**

This 80/20 blend exemplifies the intrinsic value of fine merino wool paired with cashmere. The quality is truly rooted in the fiber of the cloth before weaving and finishing enter the equation. Super 160's, a suiting designation for fine merino wool refers to the diameter of the fiber and is used to weave the highest quality worsted suiting fabrics. This is combined with downy soft cashmere to add luster, warmth and bulk to the cloth without adding weight. Expertly woven and thrice finished in a blind flannel to ensure uniformity and a remarkably consistent appearance to the eye and touch to the hand.

## **ELIE**

- World Tariff Code: 5111110000

## **KNIT BACKING**

Knit backing may be helpful for upholstery. We recommend the designer to consult their workroom. Reinforce upholstery seams. An ample seam allowance and overlock stitching / serging is advised.

## **CLEANING & CARE INSTRUCTIONS**

Professional dry clean only, delicate treatment. Do not wash. Do not bleach. Do not tumble dry. To remove dust or light dirt, gently brush with an upholstery brush or vacuum with an upholstery attachment.

## **END USE**

Light upholstery, drapery, soft goods, accessories and upholstered walls.

## **WATERFALL**
