PRODUCT SPECIFICATIONS

Sona, a Gaelic word meaning good fortune. This group of Natural Tweeds is woven from 100% authentic, undyed Shetland wool. Native to the Shetland Isles in the far north of Scotland, these sheep are petite but sturdy. They embody the spirit and picturesque beauty of their home's windswept landscape. Soft, luxurious fiber paired with distinct markings and colors are unique to this breed. Each fleece contains the perfect fall color palette – shades of cream, brown, fawn, grey, and black that are sorted by hand, spun, and woven in Scotland. Of contemporary importance, the Natural Tweeds in the Sona collection are environmentally sensitive, sustainable fabrics.

KNIT BACKING

Knit backing may be helpful for upholstery. We recommend the designer consult their workroom. Reinforce upholstery seams. An ample seam allowance and overlock stitching / serging is advised.

CLEANING & CARE INSTRUCTIONS

Professional dry clean only, delicate treatment. Do not wash. Do not bleach. Do not tumble dry. To remove spills, quickly blot with a clean cloth. Do not rub. To remove dust or light dirt, gently brush or vacuum with an upholstery attachment.

DRAPERY

For best results, hang drapery before hemming to allow the fabric to adjust to the climate of the room.

END USE

Upholstery, drapery, accessories, and soft goods.
